Learning Opportunity

Target Audience: K-6 teachers, educational assistants and administrators are encouraged to attend.

ExploreLearning Gizmos are award-winning, interactive simulations that bring research proven instructional strategies to life and make learning fun! This awareness webinar is designed to introduce math and science teachers to Gizmos and explain different methods on how Gizmos can be integrated into their classrooms. The webinar introduces the major features and functions of ExploreLearning website and shows teachers how Gizmos can look in their classrooms.

Participants will:

- Navigate the Gizmos platform
- Access Gizmos via New Learn Alberta
- Explore teaching strategies using Gizmos

Presenters

Lindsay Beaulieu

has taught in Alberta for the past 10 years and has witnessed the impact of Gizmos for student understanding in math and science. Lindsay has been using Gizmos in the classroom since she first began teaching a decade ago. Lindsay joined ExploreLearning this year as an Implementation Coordinator to support teachers in the province of

Alberta. She is excited to work with teachers, administrators, and school divisions to provide meaningful professional development for educators in Alberta.

Registration Notes

This session will be recorded and available for 60 days after the session occurs.

All session times are mountain time.
