Learning Opportunity

AUDIENCE: K-12 Administrators and Instructional Leaders.

Student success happens when well-being and achievement meet. This two-part series will support Educational Leaders identify and address the needs and strengths of students to create more powerful pathways to learning.

Session One: Authentic Engagement Through Safety, Belonging & Meaning

Engagement happens through intentional and responsive relationships that focus on supporting safety, building belonging, and making meaning. This session will cover critical strategies for leaders that foster authentic engagement and promote both student well-being and achievement.

Session Two: Contributing & Connecting Throughout the School Year

How best do we keep students, teachers, and leaders motivated through the school year? This session will examine key strategies to maintain both student and educator motivation to maximize connecting and contributing throughout the school year.

Presenters

Dr. David Tranter

Dr. David Tranter has been teaching and working in mental health, well-being, and education for over 30 years. As a researcher, professor and the Scientific Director for Relationship-Based Education, Dr. Tranter works widely with educators across Canada to support students at all grade levels to reach their highest potential. He is a dynamic, thought-provoking, and entertaining speaker, who has challenged educators across the country to think differently about their role, and to understand the needs of students on a deeper level. He is the co-creator of The Third Path: a relationship-based pedagogical framework that promotes student well-being and academic achievement. More information about his work can be found at www.thirdpath.ca and relationshipbasedschools.com
