Learning Opportunity

Target Audience: All administrators, educational assistants, guidance counsellors, instructional leaders, parents, pre-service teachers, support staff and teachers are encouraged to attend.

Video gaming is accessible to virtually everyone including our children. In Canada, gaming is a billion dollar industry. This session will look at the video gaming prevalence among genders and age groups, impact on major life areas, and strategies to encourage a more balanced approach to gaming.

Presenters

Calgary Health Promotion Services (CHPS)

The Health Promotion Facilitators on the Community Health Promotion Services (CHPS) Team connect, consult, collaborate, and contribute resources to communities. Their mission is to prevent and reduce harms related to alcohol, drugs and mental health disorders by maximizing the well-being of children, adolescents and families.

Registration Notes

All session times are mountain time.

This session will NOT be recorded.
