Learning Opportunity

Target Audience: Gr 1-12 instructional leaders and teachers are encouraged to attend.

Vocabulary instruction is at the core of language learning. Words need to be visible and comprehensible. EAL learners need to have 10-20 encounters with a word to have it become part of their lexicon. This session will explore a variety of vocabulary strategies including direct instruction, contextual cues, word analysis, consolidating meaning, recycling, spiralling, and clusters, clines, and collocations.

Presenters

Dr. Kathy Salmon

Dr. Kathy Salmon was one of the principle writers for Benchmarks 2.0 and Benchmarks 1.0. Through her 23 years in public education as a teacher, EAL specialist, consultant, assistant principal and principal, Kathy understands the complexities involved in creating optimal programming and learning supports for English as an Additional language learners in the diverse school contexts. Kathy's doctoral dissertation was focused on Effective Teaching for EAL learners in Alberta and she recognizes the importance of understanding how English language proficiency connects to curricular content learning.

Registration Notes

All session times are mountain time.

This session will be recorded and available for 30 days.
