### Learning Opportunity

AUDIENCE: K-2 CLASSROOM TEACHERS AND LITERACY COACHES WORKING WITH LLI SYSTEMS IN CLASSROOMS ARE ENCOURAGED TO ATTEND.

This is an introductory LLI in-service training, designed for K-2 teachers and literacy coaches who have begun the implementation of LLI within their schools (**LLI Orange, Green, and Blue Systems**). Educators are encouraged to register as a school team.

*Please bring a LLI Lesson Guide & Prompting Guide from any LLI System.*

### Learning Outcomes

Participants will:

- Learn about specific strategies targeted at struggling readers (K-2)
- Discover what research tells us about struggling readers
- Recognize the explicit instructional strategies to build reading comprehension, fluency, and comprehension
- Learn about the reading-writing connections and development of effective processing systems
- Discuss how to conduct, record, code, and analyze Reading Records
- View video clips from the Professional DVD's, discuss other Professional Resources that build literacy capacity and increase teacher literacy effectiveness
- Unpack the LLI system review components, classroom management, scheduling and assessment
- Review classroom grouping strategies and placement of students within the LLI system

*This learning opportunity is being offered as a cost recovery program.*

---

## Presenters

### **Dr. Joe Stouffer**

holds a PhD from the University of British Columbia in Language and Literacy Education. He draws on over 20 years teaching and teacher-training experience in his roles as literacy coach and consultant. Joe's sessions have been lauded for his approachable presentation style and their practical applications to "real world" classrooms. Joe's research interests include early years literacy development and teacher training and professional development in literacy education. He is the recipient of the International Reading Association's 2012 Stephen A. Stahl Memorial Research Grant.

---

## Registration Notes

Please bring a LLI Lesson Guide & Prompting Guide from any LLI System.
