Learning Opportunity

Spend 30 minutes with Bani Puri, Program Manager at Foothills Academy Society to discuss ADHD myths, its impact on academics and strategies to build success at school. Understanding ADHD is crucial for supporting student success and enhancing your confidence as an education professional.

Presenters

Bani Puri

Bani holds a Bachelor of Education and Bachelor of Arts from the esteemed University of Alberta, marking over two decades of dedicated service as an educator. With a richly varied background encompassing teaching across multiple grade levels, international teaching experience, leadership roles, and a steadfast commitment to continuous professional growth, Bani embodies a comprehensive understanding of the educational landscape. Bani has been instrumental in shaping the educational experience for students with learning disabilities and associated disorders. Through a blend of innovative pedagogy, strategic decision-making, and a focus on nurturing students' strengths and learning potentials, Bani has consistently fostered an environment of quality education and personal empowerment.

Registration Notes

This session will be recorded and available for 30 days.

Session times are mountain time.
