Program

Grades 7 - 9 CTF Teachers are Encouraged to Attend

This Colleague Café is intended to allow gr 7 -9 CTF teachers from across Calgary and area to come together in the sharing of CTF ideas and approaches related to planning and assessment.

Each teacher who attends should bring one CTF unit that they have used (or have planned for future use), and at least one example of a formative or summative assessment or evaluation tool or strategy that they use in their CTF classroom.

In table groups, teachers will have the opportunity to share the great work that they are doing and to grapple with their questions and continued wonderings related to this new Program of Study and how to assess and evaluate it.

Come and join colleagues in conversations about how they are taking up CTF programming, assessment, and evaluation in their classrooms across the Calgary area! Gain new ideas, share your own great ideas, and make professional connections.

This learning opportunity is being offered through curriculum implementation funding from Alberta Education.

Presenters

Krystal Abrahamowicz

is currently the Coordinator of Inclusion for Foundations for the Future Charter Academy. With extensive background and training in gifted education, and many years of experience supporting diverse learners, Krystal is a passionate believer that every student can experience success at school. Krystal has extensive experience with adult professional learning, serving as the Executive Director for the Calgary Regional Consortium (CRC) from 2019 - 2022.
