Program

AUDIENCE: K-6 TEACHERS, RESOURCE TEACHERS, AND LITERACY COACHES ARE ENCOURAGED TO ATTEND.

This session is EXCLUSIVELY FOR BAS 3rd ed users.

Benchmark Assessment System 3rd ed kits are comprehensive diagnostic assessment tools to measure student reading and comprehension ability with a reliable, universal screening tool that is aligned to Leveled Literacy Intervention. The Assessment process helps teachers determine independent and instructional reading levels related to the Fountas & Pinnell A-Z Text Level Gradient™. Participants are introduced to the research and learn how to administer, code, score and analyze a Running Record.

Course Highlights and NEW! Attributes of BAS 3rd ed

- Learn about the more detailed assessment guidelines
- Explore the new refined criteria for “*Comprehension Conversation*”
- Unpack the new Expanded Literacy Continuum linking it back to teaching and learning
- Review basics of Running Record coding, scoring, and analysis
- Provide opportunities for assessment analysis and reflection
- Talk about the classroom management and scheduling

Presenters

Dr. Joe Stouffer

holds a PhD from the University of British Columbia in Language and Literacy Education. He draws on over 20 years teaching and teacher-training experience in his roles as literacy coach and consultant. Joe's sessions have been lauded for his approachable presentation style and their practical applications to "real world" classrooms. Joe's research interests include early years literacy development and teacher training and professional development in literacy education. He is the recipient of the International Reading Association's 2012 Stephen A. Stahl Memorial Research Grant.

Registration Notes

If you are using BAS 2ed, this session will not address your needs. Fountas & Pinnell strongly suggest that teachers not mix up BAS 2ed with BAS 3rd ed.
