### Program

**TARGET AUDIENCE: ALL CLASSROOM TEACHERS K-12, LEARNING COACHES AND ESL/ELL LEARNING LEADERS ARE ENCOURAGED TO ATTEND**

Differentiated instruction should not be viewed as an isolated process. In this workshop, we will explore differentiation through Carol Ann Tomlinson book *How to Differentiate Instruction in Academically Diverse Classrooms; Third Edition*. The session will begin with an overview of role content, process and product play in differentiation. The primary focus will be the teacher's role. Come prepared to delve into small group conversations about creating a differentiated framework that enhances learning for the students in your classroom.

*This learning opportunity is being offered through curriculum implementation funding from Alberta Education.*
