Program

AUDIENCE: INSTRUCTIONAL LEADERS, TEACHERS AND ADMINISTRATORS ARE ENCOURAGED TO ATTEND.

Do you still have questions about the Guiding Framework for the Design and Development of K-12 Provincial Curriculum? What is the common design and architecture that will be used in new curriculum development? What do you still need to know about Literacy and Numeracy Progressions? How will competencies be integrated in all subjects? Are you wondering how all of this will impact your role in your school? Come and join others

to help deepen your understanding of the *Guiding Framework for Design and Development of K-12 Curriculum*.

This learning opportunity is being offered through implementation funding from Alberta Education.

Presenters

Lorrie Morales

is a semi-retired teacher who is presently working with the Calgary Regional Consortium as a consultant. She has over 30 years of experience in adult education, high school, with a focus on Middle School. Lorrie has worked as a classroom teacher, served on various committees, mentored student teachers, designed instruction, and worked with professionals in a variety of roles. She has recently published her first book and is working on her next one. During the

pandemic she has also started various art projects. You will find her making moments matter and dreaming of a sunny beach in the future.
