### Program

**TARGET AUDIENCE: JUNIOR HIGH AND SENIOR HIGH SCHOOL TEACHERS ARE ENCOURAGED TO ATTEND**

Looking to reinvigorate your lessons/units, regardless of subject, to activate student thinking and inspire them to consolidate information with the intent of gaining a deeper understanding?

This session will introduce a new free, user friendly resource designed by teachers in school authorities within Alberta (in partnership with Alberta Regional Professional Learning Consortium). The Thinking Skills Placemat is designed to help teachers intentionally integrate the most impactful learning strategies at the appropriate time. Join us for a demo ELA lesson and view how this resource can come to life in different subjects.

*This learning opportunity is being offered through curriculum implementation funding from Alberta Education.*

### Presenters

**Kim Tackaberry**

is a Designer of Professional Learning with the Calgary Regional Consortium. Her areas of focus include literacy and inclusive education. She is presently continuing her Master of Education Studies at Queen's University, specializing in literacy. Kim's teaching career spans over 30 years, ten as a classroom teacher at Foothills Academy Society, a school

specializing in children with Learning Disabilities and ADHD. Kim has designed several e-courses for teachers, titles include *Learning Disabilities* and *Introduction to Literacy and Numeracy Progressions*.
