Program

TARGET AUDIENCE: SCHOOL LEADERS, INCLUSION LEADERS AND GUIDANCE COUNSELORS ARE ENCOURAGED TO ATTEND

The parent booklet "Calm, Alert, and Ready to Learn" is based on the work of Dr. Stuart Shanker and his book for educators, "Calm, Alert, and Learning: Classroom Strategies for Self-Regulation".

In this one & half hour session, participants will have the opportunity to review the parent booklet and accompanying presentation that they can use in their own settings with suggestions of how they might use it to provide support to the parents they work with. This is a training session for those that work with parents as they prepare to offer this learning opportunity to their parent communities.

This learning opportunity is being offered through curriculum implementation funding from Alberta Education.
