Program

TARGET AUDIENCE: GRADE 10-12 MATH TEACHERS ARE ENCOURAGED TO ATTEND

This session will provide teachers with information specific to the written-response components of the Mathematics 30-1 and Mathematics 30-2 Diploma Examinations, from question development to administration. The marking process, instructional reports, and opportunities for involvement will be also be discussed. Participants will have the opportunity to ask questions to clarify their understanding of the Mathematics Diploma Examination program.

This learning opportunity is being offered through curriculum implementation funding from Alberta Education.
