## Program

**TARGET AUDIENCE: ALL K-4 TEACHERS ARE ENCOURAGED TO ATTEND**

Join this collaborative community to explore the strategies and practical approaches that help concept-based curriculum and instruction come alive in your classroom. Explore learning experiences, assessment tasks and reflection tools that support the development of students' understanding. Through this community, educators can co-create learning experiences for students, and reflect on the evidence of conceptual understandings revealed through student work samples.

*This learning opportunity is being offered through curriculum implementation funding from Alberta Education*

## Presenters

**Cheryl Babin**

M.Ed., is a Designer of Professional Learning with the Calgary Regional Consortium. With experience in public, international and independent schools, Cheryl has held many roles including classroom and lead teacher, experiential

learning coordinator, instructional coach, IB workshop leader and university sessional instructor. Cheryl currently designs and facilitates professional learning opportunities for teachers and leaders in the region. Specific areas of interest and experience include making learning meaningful through critical thinking, conceptual understanding, student engaged assessment, and the development of international-mindedness and global perspectives.
