### About the Session

#### TARGET AUDIENCE: ALL K-6 CLASSROOM TEACHERS ARE ENCOURAGED TO ATTEND

This webinar series is designed to be highly interactive and practical. Participants will have opportunity to come together on-line to discuss key concepts from Julie Stern’s book *Tools for Teaching Conceptual Understanding* and to consider how to bring these ideas into practice in their classrooms. Each webinar will dive specifically in to 1 or 2 chapters in the book.

Through this webinar book study, teachers will explore, use, and reflect on the impact of Julie’s easily implemented and practical tools to help students uncover conceptual relationships and transfer them to new situations. This includes strategies for:

- introducing conceptual learning to students
- how to assess conceptual understanding
- how to differentiate concept-based instruction

### About the Presenter(s)

**Krystal Abrahamowicz** is a Designer of Professional Learning with the Calgary Regional Consortium. In this role, she authored the *Supporting High School Completion a Tool Kit for Success* resource and had a key role in developing the Implementation and Planning Tool in the Government of Alberta Resource *Working Together to Support Mental Health in Alberta Schools*, as well as the ARPDC *Weaving Ways* resource which supports teachers in including Indigenous knowledge systems in their practice. Previous to this, she spent over 10 years as a Teacher, Student Services Specialist, and then Student Services Coordinator at Westmount Charter School. With extensive background and training in gifted education, and many years of experience in designing support plans for diverse learners, Krystal is a passionate believer that every student can experience success at school.
