### Program

#### TARGET AUDIENCE: ALL K-9 TEACHERS ARE ENCOURAGED TO ATTEND

Join us for this self-paced exploration through resources and experiences designed to support your journey in unpacking how to provide instruction that develops conceptual understanding in students. Consider theoretical foundations, practical application and strategic assessment processes that help students to develop competencies, make meaningful connections between knowledge and the application of skills, and engage authentically with significant ideas within our complex world.

- See the curriculum you teach through the lens of concepts
- Explore practical, manageable strategies to support all learners
- Assess learners' conceptual understandings

### Presenters

#### Cheryl Babin

M.Ed., is a Designer of Professional Learning with the Calgary Regional Consortium. With experience in public, international and independent schools, Cheryl has held many roles including classroom and lead teacher, experiential learning coordinator, instructional coach, IB workshop leader and university sessional instructor. Cheryl currently

designs and facilitates professional learning opportunities for teachers and leaders in the region. Specific areas of interest and experience include making learning meaningful through critical thinking, conceptual understanding, student engaged assessment, and the development of international-mindedness and global perspectives.
