Fee: **\$0.00**

Date(s) & Time(s)

October 28, 2020: 4:00 PM - 5:30 PM

Venue:

Online

About the Session

TARGET AUDIENCE: GRADES 7-9 FSL TEACHERS

Music connects our students to Francophone culture by giving our learners the opportunity to react and develop their competencies in a variety of ways.

This session will place participants in the role of the learner by discovering and reacting to a variety of Francophone music and genres. We will work together to develop students' competencies by using music as a catalyst for appreciating and connecting to Francophone culture.

Each participant will leave the session with adaptable documents, strategies, and technological tools.

Venez pour une occasion de bouger, danser, chanter!

About the Presenter(s)

Shauna Néro is Mission School District's French Program Coordinator and Vice Principal at École Mission Central Elementary School in British Columbia. She has taught Core French, Sciences Humaines and Français langue from grades 5-12. Shauna is the President of the BCLA. She is passionate about using authentic resources to engage students in the learning process.
