Learning Opportunity

Title: Explore Key Aspects of a Learning Commons in your Pajamas! Part 2

If you are looking for Alberta based support and information about Learning Commons, AND you'd like to participate from the comfort of your own school or home, join us for our webinar and video bytes series.

Perhaps you already have foundational knowledge related to Learning Commons, and you want to expand your LC network. If so, join us for Part 2 of our series (you are not required to register for both part 1 and part 2).

Once you register for Webinar 2, you will receive an email with links to **short** video clips including the following topics:

- Physical Spaces
- Virtual Spaces
- Makerspaces
- Collections
- Community Engagement

Please take at least one photo of your Learning Commons, and be prepared to share the photo with the webinar group. In webinar 2 we will explore LC photos from across the province, have a chance for Q & A with our Learning Commons experts, and we will look at resources that can contribute to LC professional growth and network building.
