Program

AUDIENCE: CTS Teachers across Alberta are encouraged to attend.

ARPDC is hosting 4 new High School Collaborative Communities. There is need to balance physical distancing and safety measures with effective pedagogical practices. This can be especially challenging in the areas of:

- Science Labs
- CTS
- Physical Education
- Band

We invite CTS teachers across Alberta to join us for lunch to build relationships with other teachers through sharing practice, innovative ideas and stories from the classroom. We will meet virtually, five times during the year for one hour.

Whether you are an experienced teacher or a first-year CTS teacher, come and join in on the conversations.
