Program

AUDIENCE: K-12 EDUCATORS AND EDUCATIONAL STAFF ARE ENCOURAGED TO ATTEND.

Calgary Regional Consortium (CRC), on behalf of Alberta Regional Professional Development Consortium (ARPCD) is pleased to announce an interactive e-workshop entitled *Literacy & Numeracy Progressions*.

Designed to build awareness and understanding for educational staff related to the new literacy and numeracy progressions, this e-workshop is accessible 24-7 to accommodate the busy schedule of educators and educational staff.

Join this self-paced learning opportunity to:

- expand methods and deepen understanding of literacy and numeracy progressions across grade levels and subject areas.
- participate in on-line discussion groups related to integrating the new literacy and numeracy progressions across the curriculum. Current practices and strategies will be shared.

Completion of the required components will take approximately 10 to 12 hours in total. Alternatively, participants can also choose to explore the e-workshop materials at their own pace, to suit their own personal needs.

Presenters

Jodi Taylor

is an Inclusion Support Teacher at Foundations for the Future Charter Academy as well as a contract Designer of Professional Learning for Calgary Regional Consortium. She has been in the classroom at the middle school and high school levels for over 20 years, primarily as a Humanities teacher.

Jodi brings the belief to all the work she engages in that there is no one size fits all when it comes to learning. Supporting literacy and inclusive education, Jodi strives to:

- Inspire a love of literacy for all students.
 - Embrace diversity in the learning profiles and personalities of the teachers she works with and the students they support.
 - Make collaborations with educators practical and classroom focused by inviting conversations that make thinking visible. This includes strategies that allow entry points and opportunities for growth for every learner.
-

Registration Notes

Participants will receive an email invitation with login instructions from PowerSchool Learning on the date the course opens.

This self-paced course will be open from February 22nd - March 26th 2021. Sorry, no extensions will be provided.

Estimated time of completion of the full eCourse is approximately 10-12 hours. Total completion time will vary for individuals dependent on level of participation within the course.
