Program

TARGET AUDIENCE: ALL GR 4-12 EDUCATORS ARE ENCOURAGED TO ATTEND.

Join us to explore and discover this rich ARPDC resource 'Thinking Strategies Placemat' (<https://sites.google.com/erlc.ca/thinkingstrategies/home>), in addition to, how it can support your instruction.

In this resource, you will find a list of forty multidisciplinary strategies divided into 5 processes.

All of which will support students in:

- Activate** their knowledge
- Anticipate** difficulties or misconceptions
- Acquire** the key information
- Deliberate and Challenge** the new information
- Consolidate** their learning

During the session, we will share practical ways to incorporate these strategies into your class to support your learners in all content areas.

Presenters

Julie Valliancourt

is currently a French Design Learning Facilitator for French Programs for the Newfoundland and Labrador English School Board. Previously, she worked as a Literacy Specialist with Rocky View Schools in Alberta. As an educator, Julie's focus is around designing authentic learning experiences that engage learners while meeting their diverse needs. She holds a Master's of Education in Educational Leadership from the University of Calgary and a Bachelor of Education from McGill University.

Susan Noble

is a Literacy specialist with Rocky View Schools. She is passionate about engaging young learners in joyful and authentic reading and writing pursuits through modelling and careful scaffolding. Susan is also passionate about finding ways to utilize technology to support student engagement and literacy development. Susan recently completed a Master's Degree in Educational Leadership at the University of Calgary.
