Learning Opportunity

Thinking about starting a formal or informal mentoring initiative in your school? Are you with a community organization who supports or would like to support mentoring in schools? If so, this webinar is for you! Considerations and initial steps for planning and implementation will be shared including recruiting, training, and supporting mentors. There will be an opportunity to learn from and with others who are at different points in their 'mentoring in schools journey'.

Presenters

Caroline Gosling

Caroline Gosling recently retired after 35 years as an educator with Edmonton Public Schools. During that time she taught at elementary, junior and senior high, was a behaviour consultant, a principal at four different schools and spent time seconded to both Alberta Children's Services and Alberta Education with a focus on supporting students who are vulnerable and creating welcoming, caring, respectful and safe learning environments. During her last secondment Caroline's main area of focus was mentoring, including supporting the Alberta Mentoring Partnership and setting up a Corporate Mentoring initiative at Alberta Education. For the last five years, Caroline has been a Big Sister and learned about mentoring from the 'inside'.
