Learning Opportunity

This session will support leaders to guide teachers through the initial process of unpacking new curriculum. CRC has created a series of slide decks and interactive experiences that incorporate both *big picture thinking* and *right down to the details* learning outcomes housed in New LearnAlberta. Registrants will receive an overview of these resources entitled *Teacher Cascade Professional Learning Facilitator Slides* and a *PD Playlist* that can be customized/contextualized for their own use.

Further resources will be provided in Part 2.
