### Program

Target Audience: K-6 Administrators, learning leaders and district leaders are encouraged to attend.

This session will continue to support leaders to guide teachers through curriculum implementation. CRC has created a series of slide decks and interactive experiences that incorporate both *big picture thinking* and *right down to the details* of learning outcomes housed in New LearnAlberta. Registrants will receive an overview of these resources entitled *Teacher Cascade Professional Learning Facilitator Slides* and a *PD Playlist* that can be customized/contextualized for their own use. This final session in the series will respond to administrator needs and questions gathered through session 2.
