About the Session

AUDIENCE: K-12 Educators, Support Staff, Administrators, and Counsellors are encouraged to attend.

Teen mentorship programs support connections between a mentor and a mentee. Each mentoring story is different and inspiring. Join us as our guests spend time highlighting stories from the field and share how the mentoring effect has impacted youth in their schools. We'd love to hear your teen mentoring stories too!

About the Presenter(s)

Caroline Gosling recently retired after 35 years as an educator with Edmonton Public Schools. During that time she taught at elementary, junior and senior high, was a behaviour consultant, a principal at four different schools and spent time seconded to both Alberta Children's Services and Alberta Education with a focus on supporting students who are vulnerable and creating welcoming, caring, respectful and safe learning environments. During her last secondment Caroline's main area of focus was mentoring, including supporting the Alberta Mentoring Partnership and setting up a Corporate Mentoring initiative at Alberta Education. For the last five years, Caroline has been a Big Sister and learned about mentoring from the 'inside'.
