Assessment: Foundations and Freedoms in the Alberta Curriculum

This 30 Minute Bite-Sized Boost will uncover assessment requirements from Alberta Education as well as strategies for ways to use your time and assessment talents in ways that best support students to learn and grow. We will build understanding of the relationship between the Learning Outcomes and their corresponding KUSPS (knowledge, understanding, skills & procedures) and how best to use assessment FOR learning with your students. Join us on zoom while you eat your lunch, or grab the recording for viewing during a time that works for you.
